Unfortunately it's their event and they are coordinating it with Rec and Parks - I just found out about it. However, I did bring this up and they have changed their date twice to accommodate RAP plus the thinking is that these are 2 different groups (one more regional and the other more out-of-town needing hotels) and it should work....

Hello,

Can he select a different weekend. How can we have multiple large scale events on the same weekend featuring music.

All,

I just attend a meeting at Cabrillo Beach where Hans Mulling plans to put on a 3 day "Beach Road Trip" BRT Weekend Caribbean music festival type of event at Cabrillo Beach. He has done this type of events throughout North American and has put them on locally at Palm Spring/Cathedral City and Huntington Beach. He expects 2,500 to 3,000 attendees from all over the US and please see the attachment for further detail. Rec and Parks likes the idea and they are committed in helping him get the proper permits. He does plan on shuttling folks in and unfortunately this is the same weekend that we are planning the LobsterFest in the outer harbor (Berth 46). The majority of his attendees will be housed in the local hotels.

Elise and Lorena,

You should reach out to Hans now and introduce yourself to promote our local area and offer your help. He says that he will put in preferred hotels on his website...

Thanks,
Augie
